

RENAISSANCE

MEDICAL/SURGICAL HISTORY

Patient Name

Date

Procedure

Describe in your own words the reason for your visit to our office. Also, give names of any physician contacted regarding this problem.

In this time of rapidly expanding medical knowledge and the increasing specialization associated therewith, there exists a very real risk of specialist physician not being aware of the general health and medical background of the patient. On occasion such information may critically affect what procedures we may safely undertake on you and under what circumstances. We, therefore, ask that you give us the following medical information.

Age:	Height:	Weight:	Occupation:
List all Drug Allergies:
